1. WEST DELHI SPORTS ACADEMY

(SHRI RAM GLOBAL SCHOOL, DELHI-WEST)

The West Delhi Sports Academy, Powered by Unified Sports, is one of the biggest multi-sport facilities in the area. Near the Tikri Kalan Metro station in the Delhi West region, the academy offers affordable and high-quality training for team sports such as basketball, football, and volleyball, as well as individual sports, including skating, tennis, taekwondo, and athletics.

Parents of Mehak

I think WDSA is the best sports academy in West Delhi. My daughter practices rope skipping and has already started participating in competitions. The coaches are very friendly and fun-loving. We are really very happy with the academy and the facilities they provide.

Mother of Chhavi & Ridam Rana

My two sons have been practicing here. One of them won a GOLD medal in Taekwondo last week. I'm very satisfied with the training facilities and the coaches. I wish all the luck to this academy and hope more youngsters join the courses to fulfill their dreams.

Father of Daivik

The Academy is fantastic. My son practices tennis here and the facilities are world-class. Surprisingly, the prices are quite reasonable. Considering the quality of the facilities and the coaching, it's definitely worth it. The coaches are experienced, knowledgeable and truly passionate about sports.

2. SUMMER CAMP AT DECATHLON

FITNESS & COACHING

DECATHLON

Unified Sports, in partnership with Decathlon (Adventure Island Rohini), offers exceptional coaching and a fun experience for everyone at their summer camp. The program is open to all, with morning sessions consisting of a blend of Zumba, CrossFit, and Yoga, while the evening sessions are focused on football and Taekwondo for children.

3. POWER OF BASICS

Power Of Basics specializes in developing strength and conditioning training programmes for athletes of all levels and sports. They comprehensively understand how the athlete's body works and how to train it effectively for maximum results.
